

# ASSOCIATE HEALTHCARE AND -TECH INVESTMENT CONSULTING – MUNICH

**ISP HEALTHCARE is a Munich based consulting boutique focused on investor strategy and advice in healthcare, life sciences, medtech and digital health.**

Founded by former top-tier consultants we are partners to some of the most successful European investors and perform science-based assessment and strategic development projects for European healthcare and life science players. Driven by an entrepreneurial mindset, we also contribute with our own investments in this space.

## We are looking for highly motivated Associates.

### Your responsibilities

- Working on commercial due diligence and value creation projects in the DACH region and beyond (e. g., for healthcare providers, pharma or medtech companies)
- Contributing to market related tasks e.g., review and identification of relevant market and industry trends and market modeling
- Supporting on comprehensive company (e.g., business plan modelling) and competition analysis
- Conducting interviews with leading market experts
- Developing a deep understanding of the business and the industry by performing a broad range of quantitative and qualitative analyses

### What we are looking for:

In addition to outstanding academic achievement, we are looking for a sense of intellectual curiosity that will lead you to develop a deep understanding of any investor situation, and to generate well-structured and valuable answers to complex questions. We want people with the ability to think in logically structured ways, paired with creativity, to look beyond the obvious.

## Your Profile

- Graduate degree in business, medicine, or sciences
- Strong interest in the healthcare, health-tech, and life sciences sectors, with a focus on working alongside top-tier investors
- Prior experience in strategy consulting, investment banking, venture capital, private equity, the start-up industry, or relevant healthcare/life science industry
- High academic success (top 15% of class)
- Entrepreneurial personality with a high degree of self-initiative
- Excellent communication skills, with the ability to explain complex ideas clearly
- Language skills: Fluency in English and German (C1)
- Strong MS Office skills (Excel, Word, PowerPoint)

## What we are offering

- A steep learning curve in a dynamic consulting environment with an attractive career trajectory
- Insights into the most exciting field of life science and healthcare
- First-hand experience in working for global mid/large cap private capital investors
- Learning from an experienced and collaborative team with flat hierarchies
- Working in a modern office in the Munich city center close to Marienplatz
- Frequent events such as team dinners or sports activities and employee benefits (e.g., EGYM Wellpass)

**Starting dates:** We offer Associate positions throughout the year.

**Location:** Munich
