

INTERNSHIP (M&A) HEALTHCARE AND -TECH INVESTMENT BANKING – MUNICH OR VIENNA

ISP HEALTHCARE is a consulting boutique focused on investor strategy and advice in healthcare, life sciences, medtech and digital health.

Founded by former top-tier consultants and finance experts, we are partners to some of the most successful European investors and perform science-based assessment and strategic development projects for European healthcare and life sciences players. Driven by an entrepreneurial mindset, we also contribute with our own investments in this space.

We are looking for highly motivated Interns (Buy-side M&A).

Your responsibilities

- Support the team in ongoing M&A buy-side projects across Europe in the healthcare and life sciences sectors
- Assist in market and company research to identify potential acquisition targets
- Contribute to the preparation of client presentations, target profiles, and other transaction-related materials
- Help maintain and structure internal databases and target screening lists
- Coordinate information and documentation for due diligence processes
- Support the team in conducting financial and valuation analysis, including reviewing company reports and industry benchmarks
- Gain hands-on exposure to the full M&A lifecycle and private equity transaction dynamics

What we are looking for:

In addition to exceptional analytical skills, we are seeking individuals with the ability to delve deeply into industries, markets, and companies, synthesizing data to uncover insights that drive impactful investment decisions. We value a structured, methodical approach to problem-solving, complemented by creativity and an entrepreneurial mindset to identify opportunities beyond the obvious.

Your Profile

- Currently enrolled in graduate program or recently completed undergraduate program in (corporate) finance, business administration, economics or life sciences (pharma, biotech, chemistry, medical engineering, etc.)
- Knowledge of or clear interest in the healthcare sector (pharma, biotech, medtech, diagnostics, healthcare provision); first experience in healthcare M&A would be a plus
- Entrepreneurial personality with a high degree of self-initiative
- Excellent communication skills, with ability to explain complex ideas clearly
- Language skills: Fluency in English and German (C1), a third language is desirable (e.g., French, Italian, Spanish, Dutch, Swedish)
- Strong MS Office skills (Excel, Word, PowerPoint)
- First experience in handling deal sourcing/deal management software, esp. in PitchBook/FactSet, Orbis would be a plus

What we are offering

- A steep learning curve in a dynamic consulting environment
- Insights into the most exciting field of healthcare and life sciences
- First-hand experience in working for global mid/large cap private capital investors
- Learning from an experienced and collaborative team with flat hierarchies
- Working in a modern office in Munich's city center, close to Marienplatz or Vienna's city center close to Rathausplatz
- Frequent events such as team dinners or sports activities and various employee benefits

Starting dates: We offer internships throughout the year.

Location: Munich or Vienna
